Aaron Kruger

Aerospace & Mechanical Engineering Major at the University at Buffalo | Seeking internship & career advancement opportunities.
Buffalo, New York, United States

Summary

I am currently pursuing a dual major in Aerospace & Mechanical Engineering at the University at Buffalo. I have a strong passion for product design, manufacturing processes, and system control. I am eager to apply what I have learned through my educational, research, and internship experiences to real world engineering problems.

Experience

University at Buffalo

2 months

Undergraduate Teaching Assistant

May 2026 - Present (1 month)

Buffalo, NY

MAE 377 Product Design in a CAE Environment

Undergrad Research Assistant

April 2026 - Present (2 months)

Buffalo, NY

Design & Fabrication of a Large Format 3D-Printer

- Used a 6-axis accelerometer and FFTs to analyze resonant vibration frequencies.
- Designed input shaper to negate vibration at resonant frequencies to improve print quality

Crosby-Brownlie, Inc.

Engineering Project Management Intern

May 2025 - Present (1 year 1 month)

Rochester, NY

- Worked with engineering and project management teams to plan & execute HVAC&R projects.

- Reviewed drawings, specifications, and submittals to ensure industry standards were met.
- Worked with vendors to ensure delivery of project materials and equipment.
- Managed project documentation such as RFIs, submittals, and change orders through Procore.
- Reported on progress of projects regularly to ensure goals were met in an efficient manner.

Wegmans Food Markets

6 years 1 month

Helping Hands

August 2020 - January 2026 (5 years 6 months)

Amherst, NY

Front End Associate

January 2020 - August 2020 (8 months)

Rochester, New York, United States

Education

University at Buffalo

Aerospace & Mechanical Engineering · (September 2023 - June 2027)

Monroe Community College

Aerospace / Mechanical Engineering · (September 2022 - May 2023)
